METAMARK MD-PP Premium Poster Paper

Price £ per roll

Metamark Premium Poster Paper offers a 'near' photo paper finish and is suitable for poster frames, displays, point of sale and fine art applications. It can also be used as a cost effective solution for backlit displays. The superb bright white satin finished paper produces excellent colour vibrancy and consistency and offers good drying time. It is a heavyweight 220gsm paper and has a PE backing allowing superb layflat stability and resisting blocking when stacking or rewinding.
