Scalpels and Scalpel Blades – Swann Morton

A range of high quality blades and handles from Swann Morton, available in two styles. Ideal for weeding and general sign work, the popular Swann Morton number 3 handle combined with either 10a or 11 blades are good all purpose tools, while the X-Acto style handle with its round knurled profile gives added control when weeding.

Double Sided Tapes – Foam and Vinyl Exterior Grade Tapes

Double sided tapes which can be used as an alternative to mechanical fixings. The tapes can be used to bond steel, aluminium, Perspex, glass and other surfaces. Foam tapes are suitable for slightly uneven surfaces and the thinner vinyl tapes for smooth, flat surfaces. *The sign maker should determine suitability before use.*

Code	Description	Pack size	Price £ each + vat	
			1-9	10+
