

Standard Application Tapes

METAMARK M2000 Application Tape

Standard Tack Paper

Metamark M2000 is a proven high quality paper application tape suited to most signmaking applications. The tape unwinds easily from the roll and tears cleanly. It is also suitable for wet application.

R Tape 4075 Conform Application Tape

Standard Tack Paper

A standard tack paper application tape suitable for most signmaking applications, 4075 Conform benefits from an advanced technology in release liner adhesion, that resists tunnelling and edge curling. It is ideal for preparation of graphics that need to be despatched for third party application. Suitable for wet application.
