

Metamark Exterior Fluorescent

2 Year Cast

Product Description

Metamark Exterior Fluorescent vinyl is suitable for high visibility vehicle conspicuity markings and outdoor safety signage. The product has a high grade pigment to provide 2 year exterior durability. It has a Cast vinyl base film and a high gloss finish.

Typical Applications

- For cad-cam plotter use, for high visibility vehicle conspicuity markings and outdoor safety signage.
- It is the responsibility of the user to determine suitability of the product, ie: compliance with any regulations.

Application

- Suitable for use on compound curves. Apply dry to ensure best adhesion. Use gentle heat to allow conformability. Do not overstretch as this will cause the application to fail.
- Note: Due to the embossing of the film, it is sensitive to tearing along the embossing, so care is needed when handling.
