

Metamark Brushed Polishes

Promotional Grade

Product Description

Metamark Brushed Polishes are suitable for promotional use, offering either a brushed aluminium or brushed gold finish. The metallised films are laminated to a white PVC to allow greater adhesion than standard polyester polishes. Metamark Brushed Aluminium and Gold are top coated for screen printing and are suitable for interior applications and can be applied to flat or slightly curved surfaces.

Typical Applications

- Suitable for interior single sided applications onto flat or slightly curved surfaces.

Application Guidelines

- Suitable for wet application.
- Not suitable for use on compound curves.
- The user should determine suitability of all substrates – refer to www.metamark.co.uk/technical for advice on application surfaces.
