Metamark MD-100B – 3 Year Calendered Blockout Vinyl

Metamark MD-100B offers all the benefits of MD-100, with the additional feature of a grey pigmented adhesive to offer improved opacity, and prevent show-through. The 3 year calendered vinyl is suitable for short to medium term outdoor graphics including advertising, point of sale, and other promotional applications. The 100 micron film gives the product ease of handling onto flat panels, and may also be applied to slightly curved surfaces. The bright white finish offers brilliant colour reproduction on Solvent, Eco Solvent, Latex and UV Printers.
