

PVC Banner

Metamark MD-FL510 – Premium Coated PVC Banner

Metamark MD-FL510 is a high quality 'coated' PVC banner suitable for wide range of banner applications. The product offers optimal print results, while the soft feel PVC provides an easy unwind off the roll. It offers very good tear strength, and is resistant to cracking at low temperatures. The bright white matt finish remains white without discolouration. Supplied reverse wound.

- 510gsm Coated PVC MD-FL510 Premium Coated PVC Banner
