R Tape ApliTape® – Standard High Tack Paper Application Tape

A standard high tack paper application tape, R Tape ApliTape® is a high quality product suited to general sign applications. R Tape's products have long been recognised as the leading application tapes in the sign industry. It is designed to work well with a wet application method, with no stringing of the adhesive, and provides a clean tear for fast workability. (Always remove tape immediately before it dries out when using a wet method.)

- White Paper
- Adhesion ~ 1.9 N/cm
- Standard High Tack
