Metamark (UK) Limited

Metamark House, Genesis Business Park, Woking, GU21 5RW, UK
Luneside, New Quay Road, Lancaster, LA1 5QP, UK

Warranty: Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. The data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.

Performance you can trust

Fluorescents for Signage

High Visibility Sign Vinyl

Metamark fluorescent vinyl is suitable for high visibility applications, advertising, conspicuity, and promotional signage. The high colour pigmentation produces vibrant markings for short term usage up to 6 months. The 120 micron film is suitable for computer cutting and screen printing, and is supplied with a solvent-free adhesive system. Metamark fluorescent is suitable for wet or dry application methods.
