

Metamark MD-80B

3 Year Calendered Blockout Digital Vinyl

Metamark MD-80B is an 80 micron monomeric calendered film developed for short term promotional applications, such as window graphics, labels and advertisements. It has a solvent-free acrylic adhesive and offers 3 years outdoor durability.

Metamark MD-80B has a grey pigmented adhesive, which offers improved opacity to prevent show through. The bright white gloss or matt finishes offer good colour reproduction on Solvent, Eco-Solvent, Latex and UV Printers.

Performance you can trust
