

Metamark MD-FL500

Premium Laminated PVC Digital Banner

Metamark MD-FL500 is a 500gsm premium grade PVC, suitable for a wide range of digital print banners. It has a smooth satin surface and a bright white colour producing sparkling results with most modern digital ink species.

It can be used for exterior applications, and the product is fire retardant in accordance with DIN 75200 to suit interior applications. It should be printed on the smooth side, and is supplied reverse wound.

Performance you can trust
