

# Metamark MD-FL510

510gsm Premium Coated PVC Banner

**Metamark MD-FL510** is a high-quality coated PVC banner suitable for a wide range of banner applications. The coated construction gives superior performance with greater tear resistance.

The bright white matt finish remains white without discolouration. For use on Solvent, UV, and Latex printers. It should be printed on the smooth side.

**Performance you can trust**
