

Metamark MD-FL510 R

Ripstop 510gsm PVC Banner Print Media

Metamark MD-FL510 R is a 510gsm Ripstop reinforced PVC banner print media. The banner fabric has advanced yarn to give it high strength and resistance to tearing. It gives improved performance to wind load, and when finishing banners without hemming.

It should be printed on the smooth side and is supplied reverse wound. A slitting service is not available on this product.

Performance you can trust
