

Metamark MD5-M

High Performance Digital Vinyl
MetaStream Ready™

Metamark MD5-M is a high performance grade polymeric calendered self-adhesive vinyl for printers using solvent inks, with the added feature of being MetaStream Ready™. The high quality film, adhesive and liner, combined with Metamark's distinctive coating technology provides outstanding print performance.

Metamark MD5-M is suitable for application onto flat or slightly curved surfaces, such as vehicle graphics, retail signage and window graphics.

Performance you can trust
