

METACAST[®] MDC XR[™]

Premium Cast Printable Vehicle Wrap Film with XR[™] Adhesive Technology

MetaCast[®] MDC XR[™] is a premium cast printable wrap film engineered for high-performance vehicle applications.

Its advanced MetaGlide[®] XR[™] adhesive system is designed to optimise repositionability and features micro-channel air-release technology, allowing installers to work more efficiently.

The film provides outstanding reliability when conforming into 3D channels and recesses, giving complete confidence even on the most demanding surfaces.

Performance you can trust
